Background

The CDRA Recycler of the Year recognizes the individual or company that exemplifies excellence in the C&D industry. The award is meant to honor those Recycling Operations in the Construction and Demolition recycling industry who have made an extraordinary contribution to the industry through one or more of the following criteria:

- Advancing business operations that result in increased recycling percentages
- Developing novel methods of marketing and conducting business
- Innovative practices in employer-employee relations
- Ensuring safer operations
- Protecting the environment
- Developing industry standards

Please answer the following questions, adding more pages as needed.

1. Please detail the company's major business accomplishments over the past 12-18 months.
2. Please detail the company's operations including diversion percentages, the production of Recycled products and any unique or innovative methods used.
3. Please detail any innovative markets that have been created.
4. Describe the operation's processes and practices that directly affect the community (s) where they operate.
5. Are the employees directly involved in community fundraising and/or community events that promote recycling? If so, give two examples.
6. Is there anything unique about this company that you would like to share?
