Register for C&D World 2015

Register now for C&D World 2015, the Annual Meeting of the C&D Recycling Association. This year's event will take place March 29–31 at the new Music City Center in downtown Nashville. The Hilton Nashville Downtown and the Hyatt Place Nashville Downtown are the designated host hotels for C&D World attendees (see hotel reservation information below). Both hotels are in close proximity to the Music City Center and all the exciting nightlife of Honky Tonk Row. We're pleased to welcome C&D World attendees to Nashville with a keynote address by Ed Sullivan, Chief Economist for PCA (Portland Cement Association). Sullivan's expert report will inform your business decisions in 2015 and beyond. Because we know the importance of being able to sell what C&D recycling operations produce, Michael Gross of Zanker Recycling will be moderating a panel on C&D End Markets on Monday, March 30. Joe Pickard, ISRI Chief Economist, will be one of the participants on that panel.

Don't make plans for that Monday evening—your social calendar is already booked! You won't want to miss this year's CDRA Fundraiser at Honky Tonk Central. Get ready for a great evening of networking, beverages and MUSIC!

On Tuesday, Dr. Timothy Townsend will be on hand to discuss the findings he and his staff at the University of Florida compiled for the recently released CDRA C&D Recycling Impact paper. In another session on Tuesday, Stephen Bantillo, Executive Director of the Recycling Certification Institute will explain how a recycling rate certification can benefit your business.

2015 CDRA Awards—Nomination Deadline Is NOW!

Another exciting C&D World event is the presentation of the annual CDRA industry awards at Monday morning's Awards Breakfast. Your nominations for the CDRA Recycler of the Year and the C&D Hall of Fame will help us recognize those who have made contributions in advancing the Construction & Demolition recycling industry. **Today—January 15—is the deadline for submitting a nomination application.**
