

Advancing Sustainable Practices for Gypsum Recycling

Author: Terry Weaver, President, USA Gypsum

The Gypsum Recycling Committee of the Construction and Demolition Recycling Association (CDRA) is leading efforts to expand sustainable practices for gypsum drywall recycling. Recognizing gypsum's vital role in construction and the environmental challenges posed by its disposal, the committee is focused on improving recovery systems and fostering robust end markets for recycled gypsum.

The Countdown Is On: 2025 C&D World in Dallas Is Almost Here!

Our lineup is locked in—and it's truly one you won't want to miss. Industry executives and thought leaders will be on hand to share their insights and engage in candid discussions during our action-packed panels. Plus, we've got specialized sessions focusing on Gypsum and Aggregate that will dive deep into the latest trends and best practices. [Check it out!](#)

But that's not all! We're excited to offer our Member-Exclusive Tour of Big City Crushed Concrete on Friday morning—an insider's look at this amazing facility that you won't get anywhere else.

And of course, it wouldn't be C&D World without plenty of networking opportunities and an exciting fundraiser. So, dust off your boots, grab your 10-gallon hat, and head to Dallas for the industry event of the year! This is the must-attend event for anyone in the C&D sector. See you there!

Committee Corner

Our Committees are where all of the lifting occurs! Check out highlights from their discussions at our most recent meetings. CDRA members are encouraged to attend committee meetings to get the most out of their memberships.

Gypsum Recycling Committee

The January 15th Gypsum Recycling Committee meeting welcomed new members and focused on opportunities in wallboard recycling and end markets. Chair Terry Weaver announced the “Gypsum Recycling 360” session at C&D World on March 13th and shared updates on policy recommendations submitted to California’s National Stewardship Action Council, with potential legislation on third-party recycling reviews expected soon. Membership & Marketing Committee

We kicked off the year with a highly successful 1st Quarter Virtual Member Roundtable on January 22nd, with more than 35 attendees, ranging from first-time members to seasoned CDRA veterans. The event offered a great opportunity for networking and learning, with each of our dedicated committee Chairs providing brief updates on their committees' recent accomplishments and ongoing initiatives.
